BEFORE TRAVELLING

ROOM / SPECIAL REQUESTS

If you have a favorite room and/or special requests, please feel free to mention it to us during the booking process. We will be pleased to do our utmost to fulfill your (room) requests and wishes. However, please keep in mind that we cannot guarantee these.

BEDDING

It is important that we know how you would like your bed made up in your accommodations. You have the choice between **1 king bed** or **2 single beds**. Please do let us know your preference per bedroom, so this can be ready for you on arrival.

BABYSITTING SERVICES AND KIDS CLUB

If you require babysitting services we advise to request this during booking, please let us know the dates and times that you need this service so that we can confirm this for you in advance of your arrival. The costs are \$15 per child per hour, to be paid on the spot. Should you need a baby crib (free of charge) and car seat (surcharge) please also request this at the time of booking.

For Kids at the age of 5 and older and who can swim, we offer a special program, called The Buddy Rangers. For kids a bit older, as of 8 years of age, we offer the PADI seal team, a 5-day program, which will introduce your children to the fascinating world of scuba diving. More detailed information can be found on www.buddydive.com/kids.

INSURANCE

We strongly recommend all clients to purchase comprehensive travel insurance. This should include cancellation, medical, accident, luggage, emergency and diving cover, it is best to arrange this a few months prior to your departure. If you are relying on the insurance provided by your credit card company, please make sure to check in with them about all the necessary steps that need to be taken prior to your trip, in case of damage or in the case of an emergency. In some cases, you will have to pay the costs and claim them back, so to prevent unnecessary surprises it is best to find out the process prior to departure.

We recommend DiveAssure, which can cover just this trip or for a whole year and you have the choice of dive insurance, travel insurance as well as a combination of both.

SAVE TIME ON CHECK-IN

On our website you can find all the check-in forms to make this process quicker and easier. Please find the resort and diving forms on the following link www.buddydive.com/save-time-on-check-in/ In addition to these forms you do need to show us a valid passport / ID and driver's license. A credit card authorization as a form of deposit on the room. If you can have these available on arrival this will speed up the process even more. If you have booked through a Travel Agent or Tour Operator, please have the voucher issued by them available on check-in.

UPON ARRIVAL

ARRIVAL TIMES & AIRPORT TRANSFERS

For a smooth arrival and transfer to the resort, please keep us updated with your exact arrival details. If you have transfers booked please look for the Buddy Dive sign after clearing customs. In the unexpected case of flight delays, we advise you to contact our front office / reservations department on **1-866-GO-BUDDY** or **+599 717 50 80** with your new arrival times.

CHECK-IN / CHECK-OUT TIME FOR ROOMS & CARS

Our official check in time is 4pm, so if you have an early arrival, the room and car might not be ready upon arrival. We will do our best to have the room and car ready for you as soon as possible though! If you have an early morning arrival and wish to ensure that your room and car are directly available upon arrival, then we advise you to book the night prior to your arrival and this will then be ready for you. If you are arriving late in the evening or after dark, then you will receive your pickup truck first thing the next morning. You will of course receive your room key right away.

The check-out time is 11am for rooms & rental vehicles. You can request a late check-out from your room until 5pm, at the front office. The cost for this is \$ 80.00 per room and is based on availability.

WHAT IS THERE TO DO SHOULD YOU HAVE TO WAIT FOR YOUR ROOM?

There is a bathroom at the front office which you can use to freshen up and change. You can also go for a swim or relax on one of our sun loungers. Our breakfast buffet is open daily from 6.30am - 10am and the dive shop opens at 8am where you can start the check-in process and get ready for the 9am dive orientation.

RESORT INFORMATION

Our Front Office is open from 6am - 11pm and there is assistance outside of these hours from our front office staff or the security personnel on duty at the front gate.

The cars from our fleet are single cabin and double cabin pick-up trucks, as well as vans. All vehicles have manual gear shift. To rent a vehicle on Bonaire you do need to be 23 years old with a valid driver's license and a credit card.

Should you prefer a pick-up truck or van with automatic transmission, please let us know as we can arrange this for you. There will be an additional charge and a price will be requested for you at the time of reservation. The first registered driver is free, any additional drivers can register for \$5 per driver, per day.

- CDW Plus Insurance: \$19 per vehicle per day

Please note that most off-island insurance companies do not cover pick-up rental on Bonaire. Buddy Dive does not accept payment from any other insurance that the renter may have. The renter of the vehicle accepts to settle the damage directly towards Buddy Dive. When declining Buddy Dive's insurance an additional deposit of \$ 1,000 will be required.

HOUSEKEEPING

Beach towels are also available at the front desk and you can change these throughout your stay - a deposit of \$20 is required to use this service. The deposit will be refunded at the end of your stay.

ELECTRICITY

The power from most of the electrical outlets in your room is 127 volts operating at 50/60 cycles (Hz.) and 220 volts 50 cycles in the kitchen. Unfortunately, this doesn't match the power requirements of most European or American appliances. Therefore, we do not recommend that you use the outlets in your apartment for any sensitive plug-ins, such as laptops or battery chargers unless these are equipped with a "surge" protector.

DIVE ORIENTATION

You will need your Diving Certification Card to enroll for diving, please do not forget this. Please make sure you check in at the dive shop 30 minutes prior to the orientation.

Every diver needs to buy a STINAPA marine park tag, which is valid for the calendar year. This nature fee is \$45 per diver and \$25 per snorkeler.

All divers need to attend a mandatory dive orientation before starting to enjoy Bonaire's reefs. The dive orientation is held at 9am or at 2pm daily. Afterwards you need to do your check-out dive in front of the dive operation and then the ultimate dive freedom can start. If you don't have a buddy to go diving with, you can sign up on the "looking for a buddy" board on the dock to find a dive buddy.

We have plenty of dive equipment available to rent, should you not want to bring it with you. Please visit www.buddydive.com/diving/dive-prices/equipment-rental/ for details and the prices.

DIVE COURSES | GUIDED DIVES

To make sure that an instructor or a guide is available for your courses or dives, please make these arrangements during the booking process, we can then ensure that we can accommodate your request. If you have already booked a course with us, please remember to bring all your paperwork with you!

If you are taking a diving course, we do need you to complete a medical form; should any of your answers be 'Yes', then you will need your Doctors approval before you will be able to dive. The form can be found at www.buddydive.com/save-time-on-check-in

CAMERA EQUIPMENT RENTAL
